Mr. James Morris
School Counselor

This is a reminder for all LMHS parents that Keystone Exam testing will take place on the following dates:

- May 15th Algebra Keystone
- May 17th Literature Keystone
- May 24th Biology Keystone

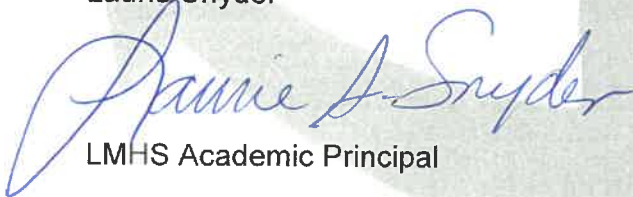

The Keystone Exam schedule will affect the daily schedule of all students on those dates. Each Keystone test will take an entire day. Students will take the first section of the exam in the morning, eat 5th period lunch and take the second section of the exam in the afternoon.

Students who are testing will be required to report to school by the regular start time – 8:15 am. These students will be given notification about their testing locations directly from their English, Science, or Math teacher for each test session. This testing session will include students currently enrolled in English 10, Biology, and/or Algebra.

Important Note for Career Center Students: MCCC students who are taking keystones will remain at LMHS for the entire testing day.

If you have any questions about Keystone Exams or the schedule for the upcoming Keystone Exam test sessions please do not hesitate to contact me. You can also find more information about Keystone Exams by going to our Website, Middle/High School - Guidance - and clicking on "Keystone Exams". <http://www.education.pa.gov/k-12/assessment%20and%20accountability/pages/keystone-exams.aspx#tab-1>
