3/5/18

Dear Parents/Guardians,

The Lakeview School District will administer the Pennsylvania System of School Assessment (PSSA) Tests in April as outlined below:

Grade Level Tested	PSSA Test	Testing Dates
Grade 3-8	Reading	April 9-12, 2018
Grade 3-8	Math	April 16-17, 2018
Grades 4 and 8	Science	April 23-24, 2018

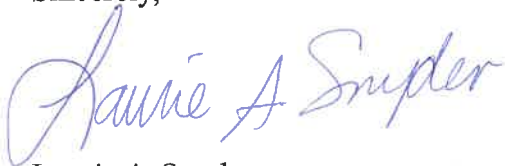

If you wish to review the test prior to its administration, please contact your child's school at least two (2) weeks prior to the administration of the test. You may view the test at your child's school building. As per the Pennsylvania Department of Education, no copies of the testing materials may leave the school building. The test must be reviewed in person if parents/guardians wish to opt their child out of PSSA/Keystone testing.

Individual student test results will be sent to the school and maintained as part of your child's school records, and copies will also be mailed home. The building results from the State Assessment will be published by the state and used to compare Lakeview School District with other schools in Pennsylvania.

Please support your child in achieving the very best on the PSSA tests by encouraging him/her to get plenty of rest, eat a good breakfast, and arrive at school on time. Please attempt to ensure your child is in attendance at school during the dates of these tests to maintain the integrity of the tests. If you have specific questions regarding the PSSA tests, please contact your child's principal.

Thank you for your cooperation in this important event.

Sincerely,

Laurie A. Snyder
LMHS Principal of Academics
