Dear Parents,

As you begin making your summer plans, please be aware of a wonderful, free opportunity for your student. Summer school is an important opportunity for students to stay academically connected throughout the summer break. In the Lakeview School District, Oakview Elementary & Lakeview Middle School will be providing this free summer school for children **currently in kindergarten, first, second, third, fourth, fifth, or sixth grade**. We are also pleased to offer summer school to the incoming kindergarteners again this year.

Although it is our hope to provide support for students who need help with reading or mathematics, summer school is certainly not limited to struggling students. *Any Lakeview student in grades K-6 is invited to participate so that they may stay academically connected to the curriculum.* With the expectations of the Common Core Standards setting the pace, the academic rigor will continue to increase. If your child is experiencing any academic stress, we urge you to take advantage of summer school to promote academic achievement.

Summer school will be offered in weekly sessions. The weeks are **June 12-15, July 31-August 3, and August 7-10**. Each student will receive math and reading sessions every day. There is no limit to the number of sessions a student may attend.

Summer school classes will be held **Monday-Thursday from 9:00 am-12:00 pm**. This schedule will allow the children to enjoy summer activities while still maintaining an academic focus. A free, light snack will be provided to each student. **Parents are responsible for providing transportation to and from summer school.** Thank you for considering this opportunity to make your student successful!

Sincerely,

A handwritten signature in blue ink that reads "Nancy Keeling".
