- Mr. Rotz was concerned about how we got to this situation – was it erosion? Mr. Pappas responded that it is hard to determine how this happened. Mr. Pappas thought it could be from water coming off of the bleachers. Maintenance will need to watch for water erosion.
- Mr. Pappas noted that all of the pillars with structural issues have been identified and marked.
- Mr. Arbogast responded that Mr. Tyler Shearer reach out to him and his business is able to fix the bleachers to make them safe for use. He would not charge the District for labor just supplies. His business TRS Transit could handle the repair.
- Mr. Kinney asked if the repair would maintain integrity over the winter. Mr. Pappas said it would be fine over the winter.
